

ThistleWaithe Learning Center
Summer Nature Paths and Toddler Transitions
July 2 – August 3, 2018

Monday – Friday: Half day program/ No Camp on July 4th
\$285 4day week and \$330 for 5day week

Come along, join and amble!! See the briars and the bramble
Hear the hum and drone of the bee.
Look above! What do we see?
A hawk soars on the summer breeze, an effortless flight that coax and tease.
Let's fly up towards that endless blue.
Summertime at ThistleWaithe... So very much to do!!

ThistleWaithe's Nature Paths lead to joyful investigation, problem-solving, critical thinking and exploring the marvels of our natural world. Nature Paths will bolster the whole child through a balance of skill-building projects, one-on-one and small-group instructions, all the while enjoying the magic of summer!!

Select Activities

- Theatre/Drama: Dramatic arts shape our children's world view through increased confidence, public speaking, and playful creativity
- Yoga: Movement enhances learning. Learning enhances life. Yoga naturally links learning and movement. Add a healthy dash of concentration and focus, and you have the perfect recipe for seeing the world clearly!
- Motor Skill Mania: scooters, ball skills, hula hooping, hopscotch, and more!
- Garden: Planting, cultivating, and sampling... all with an eye to harvest!
- Special Visitors: two-and-four and maybe more legged friends!

Building Habits of Excellence
